Dear families

To find out if your child is eligible for free school meals please click on the relevant link below, depending on which council area you live in.

If your child is eligible for free school meals, the school will get extra funding for your child's education when your application has been accepted.

If your child is moving schools you must inform the council of your child's new school in order for the free school meals entitlement to continue. If your child is in Year 6 and joining us in September you can contact the council now to let them know.

Once your application has been approved please contact the school with your Free School Meal reference number.

Liverpool
