

8 April 2022

Dear families

A successful week for our students here at Dixons Fazakerley saw them winning football competitions, engaging with employers as part of our Career's curriculum and giving their feedback about improvements at the academy via the student council.

### **Appreciations**

As always, I would like to begin by celebrating the achievements of the students listed below whom have received our final appreciations of the term:

### **Easter Revision - Year 11**

The Easter holiday will be a busy one for our Year 11 students who will be engaging in our Easter Revision programme alongside their revision at home. There are a range of revision sessions available to our students to ensure they are fully prepared for their GCSE examinations which start on Monday 16 May. It would be great if families could encourage their child to attend. Please see the link to the Conquering the Summit page and the Easter Revision plan:

### **Ready to Learn - Tuesday 26 April**

Ahead of students returning on Tuesday 26 April please ensure they have their equipment, uniform and planners. We look forward to welcoming everyone back to school and you can help your child be successful by ensuring they are ready to learn. I appreciate your support in ensuring the uniform of your child adheres to the clear guidance we sent out yesterday.

### **Thank You**

Finally a huge thank you to students and staff who have made this such an enjoyable term. I would particularly like to pay tribute to Miss O'Grady, Mrs Cubbon and Miss Tasker who leave us to take up new opportunities outside of the secondary classroom – we appreciate their commitment to Fazakerley and years of service and wish them well.

As always, we continue to improve our school in partnership with our families and I want to say a huge thank you for the ongoing feedback and support you offer. Wishing everyone a very safe and restful holiday.

Yours faithfully
