

26 May 2023

Dear families

I am writing to you about our revision offer for all students in Year 11 over the May half term. I appreciate the excellent determination shown by all students in Year 11 over the first two weeks of the exam period and am immensely proud of the way they have conducted themselves. This half term is a crucial opportunity for our students to build on their momentum and enter the final two weeks of exams in an excellent position.

### What sessions are being run over half term?

### What do students need to do and bring?

The revision sessions are open to all Year 11 students and we **strongly** encourage all to attend. Students will sign in at reception prior to the start of the session and then sign out at reception at the end. Students can wear non-uniform but must still bring full equipment and follow our usual school rules. This means that we expect students, as always, to demonstrate determination in their own work but also respect for their peers and teachers who are also there to learn and take advantage of this offer.

During the sessions, we expect students to have phones turned off and to give 100% focus to their learning. This means following our learning modes, attempting all tasks and ensuring that the learning environment is a respectful, purposeful one for everyone.

We look forward to welcoming Year 11s to these revision sessions next week.

Yours faithfully
